

## Dusseldorf Highlights – City Tour by bus with visit of Schloss Benrath (6 hours)

A ride in a luxurious coach takes you along the famous shopping boulevard Königsallee ('Kö') with its exclusive shops and malls. You will learn that Dusseldorf has been a centre of fine arts for more than 200 years, that Paul Klee and Joseph Beuys have left their marks here, that the song of the Loreley would not even exist if it were not for Dusseldorf... Across one of numerous bridges, the tour takes you to the left bank of the river Rhine.

From here you have a beautiful view of the panorama of the old town with its landmarks. Past the magnificent art nouveau and Wilhelminian style facades of the Oberkassel district, return to the right bank.
