

# Intercontinental Dusseldorf\*\*\*\*\*

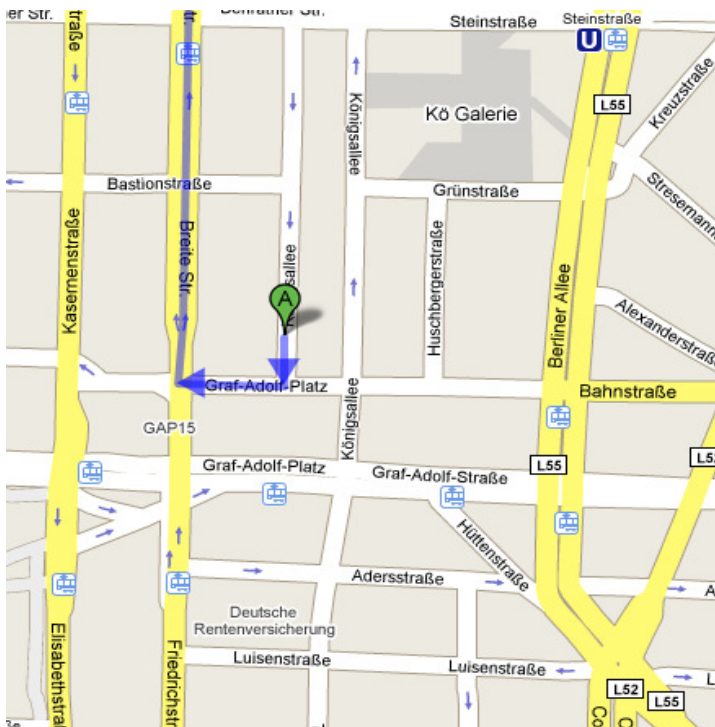

The InterContinental Dusseldorf stands alongside the world's top fashion houses on the "Kö", Germany's most sophisticated mile. Less than half a kilometre (500 feet) away are the K20 and K21 art museums and the Altstadt (Old Town).

Favoured by business travellers, the hotel is only minutes from the banking quarter and Düsseldorf Trade Fair Venue.

286 noble appointed rooms and 32 suites offer spaces for living, working and relaxing. Gastronomic variety you will find in form of the restaurant CALIGA, the wine room and the bar fifty nine, a decidedly best cocktail bar in Dusseldorf. The impressive selection of spirits includes whiskeys and vodkas found nowhere else in town, and patrons rave about our legendary burgers.
